

- 1) Have you ever experienced anything you would describe as flying like an eagle? If so, what was it? If not, have you ever dreamed of flying? What was that like?
- 2) Read Exodus 19:1-2. These verses describe a moment in time and a place that recall the history of the nation to that point. If you were there in that moment of time and in that place, what would you remember of that past?
- 3) Read Exodus 19:1-4. Notice that the Lord called Moses "out of the mountain" or "from the mountain." Why does Scripture use that wording instead of "from the top of the mountain" or "from the sky above the mountain"?
- 4) Remember the day/season of your salvation. Consider your past both before and since. How far in your walk with Him has the Lord brought you? Are you still in bondage and a slave to sin, or are you free in Christ?
- 5) During the message, Pastor Marcus made the point that God does His greatest work in an environment that appears to us to be chaotic and uninhabitable. What examples of that can you pull from Scripture? Look at your answer to question 2 and think again of Israel's experience. Would you say that was true for them? Do you think most in Israel would say they were carried on eagle's wings? If not, how would they describe their experience?
- 6) Consider your answer to question 5. What has the Lord brought you through? Were you carried on eagle's wings? What do you think God is doing in our world today? How are most experiencing His work?
- 7) Look up and read Psalm 46. Notice that Psalm 46 is a Psalm "of the descendants of Korah." Read Deuteronomy 16:4. When did Korah live, and what was his experience of God? How does that relate to Exodus 19:1-4? How does knowing this testimony of Scripture encourage you in our day?
