1) How do you sense the presence of God? What do you do to 'enter His presence'?

2) What were the ground rules of the home you grew up in? What happened when you 'bent' or broke those rules?

3) When did you first hear of the Ten Commandments? How relevant are the Ten Commandments to your day-to-day life? If not, why not? If so, how so? (For example - did you meditate on any of them this past week, or were they part of a conversation you were having recently?)

4) How many commandments did God give Adam? How many commandments did God give Noah? How many commandments did God give Abram? Read Exodus 20:1-17. How many does He give His people at Mount Sinai? Why do you think that is?

5) What happens to our relationship with God when we violate the Ten Commandments? Is it possible to hold to the Great Commandment (Matthew 22:34-40) and at the same time violate one or more of the Ten Commandments?

6) In what way are the Commandments foundational to our society? In what way are they foundational to you personally?

7) During the message, the point was made that the Commandments are a revelation of God. Read through them again (Exodus 20:1-17). What do they tell you <u>about Him</u>?
